Mr. Henry Wade
District Attorney
Dallas County Government Center
Dallas, Tx. 75202

Dear Henry,

Unless a judge in one of the suits does something to preclude it or there are other developments in my FOIA actions I now expect to leave for Dallas a week from Friday, 6/10.

I've asked my travel agent to put me on American 603. I believe it reaches Dallas a little after 1 p.m.

I will be staying with Jim Tague.

As I believe I told you I am looking for evidence to file in one of the suits, clear copies of pictures and affidavits.

If your schedule permits I'd like to speak to you Friday afternoon to tell you briefly what I plan in the event any of it can be of interest to you. If it does and you would like someone to be with me when I conduct the interviews that will be fine. I am not going to Dallas in pursuit of any literary interest or purpose.

Whether or not you have this interest if you would like ~~me~~ me to bring you up to date on what I've established since I was there my time can suit yours.

If you have any questions about people now active and I presume in touch with you I can report my experiences to you. Some have been utterly untrustworthy.

Buddy Walthers' widow may have remarried. If one of your people can learn how I can reach her it would be quite helpful.

I know Alan Sweatt has died. I hear his son is in California. There may have been a sheriff's office record of one of the incidents that interests me. This will not involve any secrecy so if you can refer me to someone there I'd appreciate it.

It has been a long time since I was there. I look forward to a visit with you.

Best wishes,

Harold Weisberg
